

# Information Technology Authorization Committee

## Project Review

June 24, 2015

### Action Item

**Agency:** Arizona Department of Education (ADE)  
**Project Name:** Early Childhood Education – Preschool Development Grant (ECE-PDG)  
**Project Number:** ED15005  
**ASET Oversight Manager:** Eddy Cheng

ADE has been awarded a multi-year federal grant to integrate preschool children information from Arizona High Need Communities (HNC) into the ADE K-12 database. ADE states this early childhood information will significantly enhance the ability of administrators, educators, and specialist to track progress of early childhood HNC students and recommend polices to improve future performance of these students.

ADE will be creating dashboards using the information from the Teaching Strategies GOLD software system to provide end users with overall program information of HNC preschools and students.

#### Motion Options:

☐ **ITAC Approval:**

The Arizona Strategic Enterprise Technology Office recommends ITAC approval of the technology project.

☐ **ITAC Conditional Approval:**

The Arizona Strategic Enterprise Technology Office recommends ITAC approval of the PIJ with the following Conditions:

1. Should there be any changes in the proposed costs, technology approach, scope of work, or implementation schedule, ADE must amend the PIJ to reflect the changes and submit it to ADOA-ASET and the Information Technology Authorization Committee (ITAC), if required for review and approval prior to further expenditure of funds.
2. ADE will continue to work with ADOA-ASET to ensure the appropriate security controls are in place to protect State data.

☐ **ITAC Disapproval:**
